

Prepare for **flood**

Know the Warnings

Look and listen for flood and weather warnings from the NSW SES and the Bureau of Meteorology.

Monitor the natural signs of flooding, including heavy rainfall, rushing or pooling water. Act early. You may not get a warning from the NSW SES.

The NSW SES will issue an **Advice, Watch and Act** or **Emergency Warning**. The level of warning is dependent on the impact and expected consequences of the flood.

Follow your Emergency Plan

Follow the emergency plans for your home, business and property.

Follow your plan for all people and animals in your care.

Prepare your emergency kit in case you need to leave.

Pack your 'last-minute items' into your emergency kit:

- A good supply of required medications
- Any specific requirements and supplies for babies, disabled people, infirmed and elderly people
- Appropriate clothing and footwear
- Fresh food and drinking water

Before you leave

Turn off gas, electricity and water before you leave.

Take your emergency kit.

In life threatening situations **call Triple Zero (000)**

For emergency help in flood, storm and tsunami, call the **NSW SES on 132 500.**
