

Stay safe after storms

Stay up to date

The Bureau of Meteorology will cancel a **Severe Weather Warning** or **Severe Thunderstorm Warning** when the storm has passed.

NSW SES may issue an **Advice: Threat is Reduced**.

If you left the affected area, return with caution once the storm has passed.

If your home was affected

Call NSW SES on 132 500 if you require emergency assistance.

Arrange safety inspections and repairs for your home, business and property, including gas and electricity connections.

Contact professionals to assess damage to your property, for example:

- builder
- arborist
- relevant tradespeople
- tiler
- plumber

If you rent, contact your landlord for any urgent repairs.

Contact your insurance company.

In life threatening situations call **Triple Zero (000)**

For emergency help in flood, storm and tsunami, call the **NSW SES on 132 500.**
